OUR COMPANY

Eyethu Engineers was formed in December 1996, and was registered as a close corporation (1996/064079/23). In 2008 Eyethu Engineers registered as a (Pty) Ltd, registration number (2008/025002/07). The company is a 81 % black empowerment company, and carries Professional Indemnity Insurance in the amount of R10,000,000. The directors have a firm commitment to the successful development of South Africa and believe that solutions and strengths should come from, and be developed from within.

MISSION STATEMENT

To strive to meet the needs of our clients and develop solutions which :

- are based on our belief that we must build on and develop what we already have, both in terms of physical and social infrastructure ;
- are innovative and utilise appropriate technology which is both sustainable and affordable to beneficiary communities ;
- To provide a professional service to all clients, small or large, urban or rural, private or public ;
- To develop and build our company from within, such that we are able to expand both in terms of volume and diversity of work.

SERVICES OFFERED

Civil Engineering

- Road design and rehabilitation
- Municipal infrastructure - urban and rural
- Structures - steel, reinforced and prestressed concrete
- Waste water treatment, reticulation and pump stations
- Bulk water supply systems, water treatment and reticulation
- Project management and contract administration
- Environmental Impact Assessments, Management Plans and Monitoring

Electrical Engineering Services

- Electrical building services
- Electrical Reticulation Networks (Urban / Rural)
- Electrical distribution HV /MV /LV
- Electro-mechanical Engineering services
- Industrial automation
- Pump stations, treatment and purification plants
- Power systems analysis and load flow studies
- Substations and generation plants
- Electronic engineering services
- Sub transmission HV

OUR TEAM

LINDOKUHLE ZUNGU DIRECTOR

- National Diploma in Civil Engineering, Mangosuthu Technikon
- B.Com Marketing, University of Natal

SPECIALISATION

- Economic and Development Facilitator and Trainer
- Community Liaison & Project Management

RODRICK TIFFLIN DIRECTOR

- PrEng BSc. Civil Engineering, University of Natal

SPECIALISATION

- Bridge Design
- Reinforced Concrete & Structural Steel Structures

JOHANN MCLEOD DIRECTOR

- Pr.Eng BSc. Civil Engineering, University of Natal, MSAICE

SPECIALISATION

- Roads and Road Rehabilitation Design, Management Systems
- Municipal Services

MEL DUBE DIRECTOR

- BSc. Hons Civil Engineering (Pr. CM)

SPECIALISATION

- Structures, Project Management

PATRICK MASUKU TECHNICAL MANAGER

- PrEng BSc. Civil Engineering, University of Durban-Westville
- National Diploma in Civil Engineering, Mangosuthu Technikon

SPECIALISATION

- Township Services, Roads.
- Structures

PIETER SCHREUDER TECHNICAL MANAGER

- PrCM. Construction Management, PrCPM. Project Management, University of Cape Town
- National Higher Diploma in Civil Engineering, National Diploma in Survey, Natal Tech.

SPECIALISATION

- Construction Management

DONALD NKOSI TECHNICAL MANAGER

- National Higher Diploma in Civil Engineering, Witwatersrand Technikon

SPECIALISATION

- Road and Road Rehabilitation Design

LINDA CELE TECHNICAL MANAGER

- Pr Tech Eng, MSAIEE, National Diploma in Electrical Engineering (T3), Mangosuthu Technikon , ML Sultan Technikon
- Advance Diploma in Project Management, Rand Afrikaans University

SPECIALISATION

- Electrical Power Distribution
- Electrical / Electronic Building Services
- Electrical Industrial Automation

TECHNICAL STAFF MEMBERS
